

KALDER ALLE BØRN

Vi har brug for jeres hjælp!

HAR DU NOGEN GODE IDEER?

Kære børn i alle aldre

Vi skal lave nye legepladser

Vi har derfor brug for jeres idéer og input til vores videre arbejde.

QR koden og linket fører jer hen til det sted, hvor I kan uploade jeres idéer. Allerede nu er der uploadet eksempler på idéer, som I kan lade jer inspirere af.

I må meget gerne forklare hvorfor lige netop dette er verdens bedste legeplads.

Det er også muligt at lægge jeres bidrag i brevsprækken ved ejendomskontoret.

Vi håber meget, at alle børn i boligforeningen har lyst til at komme med idéer til, hvad I godt kunne tænke jer.

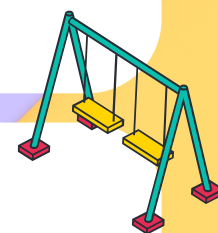

Mange legehilsner fra legepladsudvalget

VIS OS DIN DRØMMELEGEPLADS

CALLING ALL KIDS

We need your help!

DO YOU HAVE ANY IDEAS?

Dear children of all ages,

We are getting new playgrounds.

We therefore need your ideas and input.

The QR code and the link will take you to the place where you can upload your ideas. We have already uploaded a few ideas that you can be inspired by.

It would be nice if you explained why exactly your idea is the world's best playground.

It is also possible to put your contribution in the mailbox at the local office (Ejendomskontoret).

We very much hope that everyone, especially all children in the housing association, will come up with ideas for what you might like.

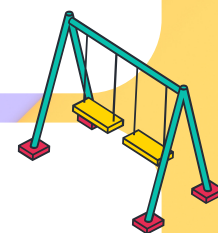

Many greetings from the playground committee

SHOW US YOUR DREAM PLAYGROUND

You can show us what you dream about by uploading,

- a picture
- a video
- a drawing
- a collage
